[Proceed](#)

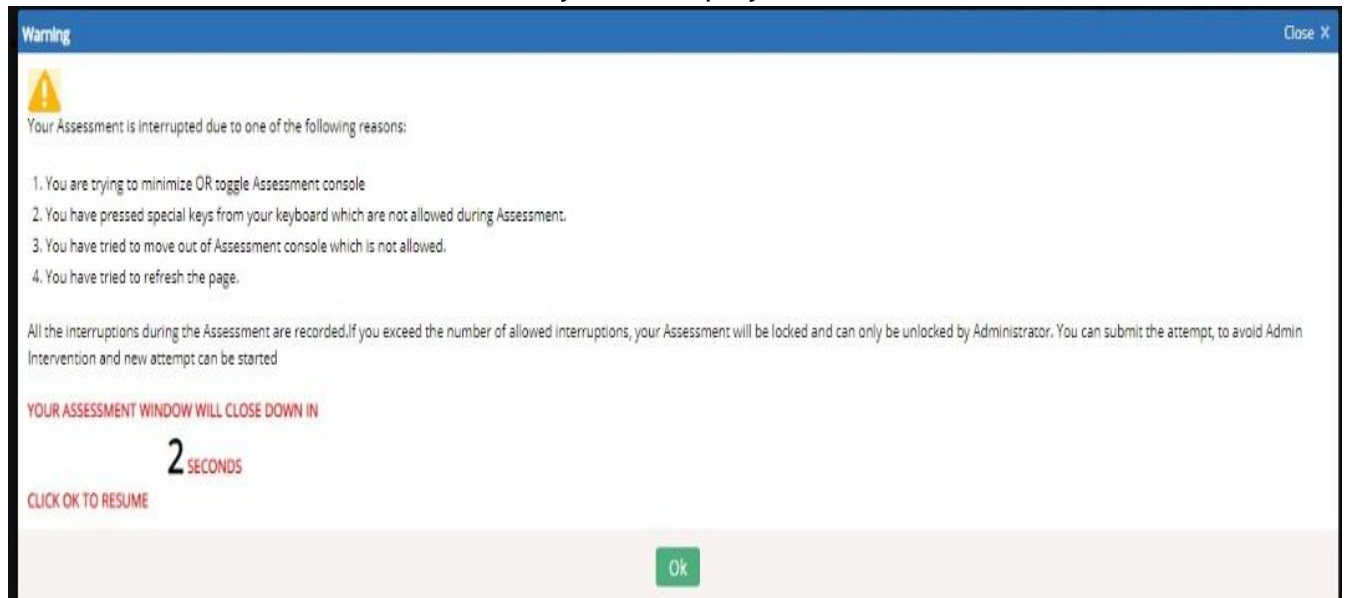

The Test activity in the course has configuration settings as:

9. (From the Launch of the activity = Total Test time clock starts)
10. Once a test activity is launched the server starts the clock and calculates as per the total test time allowed by the course administrator.
11. No. of attempts/Launch access to the test session say after a Log-out/system restart is set by the course administrator and is allowed only if the server calculated time is within the total test time.
12. The Submit button of Assessment Test shall be enabled only after completion of say first 60 minutes / one hour from the commencement of the exam on the Screen. The

server timer will be displayed on the Exam screen and one hour will be calculated accordingly.

13. The System records all the interruptions during the Assessment i.e. if the Assessment Console (Screen) is minimized or toggled (opening New Window/Tab) or special keys from the keyboard is pressed or Exit from the Assessment Console (Screen) is tried or Exam Page is refreshed, the Exam will be locked & automatically submitted and you will not be able to continue the Exam further in any circumstances.
14. On any interruption attempt, following alert message is already displayed to the user along with possible reasons. The same is being used in the online assessments of ICAI.
15. The results of the Assessment Activity to be displayed later.

Annexure-2

General Instructions for the Assessment Test

Please read the instructions carefully

General Instructions:

1. Total duration of examination is 120 minutes.
2. The clock will be set at the server. The countdown timer in the top right corner of screen will display the remaining time available for you to complete the examination. When the timer reaches zero, the examination will end by itself. You will not be required to end or submit your examination.
3. The Question Palette displayed on the right side of screen will show the status of each question using one of the following symbols:

	You have not visited the question yet.
	You have not answered the question.

	You have answered the question.
	You have NOT answered the question, but have marked the question for review.
	You have answered and marked the question for Review (will not be considered for evaluation)

The Marked for Review status for a question simply indicates that you would like to look at that question again.

4. You can click on the > arrow which appears to the left of question palette to collapse the question palette thereby maximizing the question window. To view the question palette again, you can click on which appears on the right side of question window.

Navigating to a Question:

4. To answer a question, do the following:
 - a. Click on the question number in the Question Palette at the right of your screen to go to that numbered question directly. Note that using this option does NOT save your answer to the current question.
 - b. Click on **Save & Next** to save your answer for the current question and then go to the next question.
 - c. Click on **Mark for Review & Next** to save your answer for the current question, mark it for review, and then go to the next question.

Answering a Question :

5. Procedure for answering a multiple choice type question:
 - a. To select your answer, click on the button of one of the options
 - b. To deselect your chosen answer, click on the button of the chosen option again or click on the **Clear Response** button
 - c. To change your chosen answer, click on the button of another option
 - d. To save your answer, you MUST click on the **Save & Next** button
 - e. To mark the question for review, click on the **Mark for Review & Next** button.
7. To change your answer to a question that has already been answered, first select that question for answering and then follow the procedure for answering that type of question. **Navigating through sections:**

7. Sections in this question paper are displayed on the top bar of the screen. Questions in a section can be viewed by clicking on the section name. The section you are currently viewing is highlighted.
8. After clicking the Save & Next button on the last question for a section, you will automatically be taken to the first question of the next section.
9. You can shuffle between sections and questions anytime during the examination as per your convenience only during the time stipulated.

10. Candidate can view the corresponding section summary as part of the legend that appears in every section above the question palette.

Interruption Instructions for Online Assessment:

- a. Do not try to minimize the Assessment console.
- b. Do not press F5 or refresh the assessment.
- c. Do not toggle between Assessment console and other application.
- d. Do not press special keys (such as Windows key) on the keyboard.
- e. Do not click the Taskbar, Settings on the browser.

The said course access has a session time out of maximum 30 minutes ie if the Learner/Member moves away from the line of sight of his webcam or left the Logged session idle for more than 30 minutes the course is disabled and the access again is allowed with authentication (blink) of his presence with his face in the line of sight of his webcam.

The candidate has to arrange the proper power backup during the Assessment & proper internet connection, as the timer will not be stopped during the assessment.
