DIGITAL ACCOUNTING & ASSURANCE BOARD

6 days Executive Development Programme on

PRACTICAL GUIDE TO ISA

on 18-23 Jan from 08 AM to 11 AM through Digital Learning Hub of ICAI

Fees: Rs. 3000/- (+18% GST) per participant

Program Objective

- This session is designed for all the participants who have successfully cleared DISA ÈT or AT who want to do System's Audit. This session will help in performing Vulnerability Analysis to identify security loopholes in the target organization's Network, communication infrastructure, and end systems.
- Will explore the world of Cyber Security Audits for the Members by giving a practical hands on experience by using free open source tools.
- Will help in understanding the terminologies of the System Audit, performing system audit as per regulators requirements (RBI, SEBI, IRDA), Also understand & execute the various checklists given by the regulators for system audit.

Course Material - Participants shall be given:

- Realistic data files
- Brainstorming and creative exercises
- Open Source Tools
- Over 5 GB of materials would be provided in the form of: PowerPoint slides (step by Step Instructions on operating the tools), open source software, Video tutorials
